

# No Leak-grout & Tiles Waterproof Sealer

**AMTECO NO LEAK-GROUT & TILES WATERPROOF SEALER** is a specialised solvent based waterproof clear sealer, which acts as a waterproof for grout and tiles in tiled areas with a faulty or undetectable waterproofing membrane. This product prevent moisture getting behind tiles that cause cracking , rusting mould growth and reduces maintenance cost.

**AMTECO NO LEAK-GROUT & TILES WATERPROOF SEALER** 是一种特制油性补漏液，专用于浴室填补和密封各类地砖洋灰和幼细缝裂。使用它处理后，其表面产生一种透明防水保护膜，能防止水渗透地砖底面，减少裂缝和补漏，减少霉菌和铁钢和枝生锈导致各种不必要的工作。

**AMTECO NO LEAK-GROUT & TILES WATERPROOF SEALER** adalah pelarut khusus yang berfungsi sebagai kalis air untuk grout dan jubin di kawasan berjubin dengan membran kalis air yang rosak atau tidak dapat dikesan. Ini Produk mengelakkan kelembapan di belakang jubin yang menyebabkan retak, berkarat dan mengurangkan kos penyelenggaraan.

## Advantage

- To prevent water penetration affecting low lying brick surface.
- Reduce fractures and trapping.
- Reduce mould and metal plate rust.
- Excellent sealing properties.

## Coverage

Under normal conditions, 500ml will treat approximately 15m<sup>2</sup>.

## Instruction For Use

- Using a small brush, apply onto all grout lines and tile joints.
- Second coating can be applied immediately after the first coating.
- Third coating may be required for very porous grout lines .
- Allow approximately 24 hours before using shower .
- Apply to test treated area to ensure satisfactory results.

### Surface Preparation

Surface must be firm, clean, dry and free from mould. Replace any defective grout and remove all silicone or acrylic sealant from tile joint before application.

### Safety

Non-toxic and non-hazardous in normal use. Splashes should be washed off with running water. Eye protection is advisable . Keep out of reach of children .

TECHNICAL DATA	
Active Ingredients	Petroleum distillates and synthetic resin
Appearance	Clear
Physical Form	Liquid
Flammability	Flammable
Toxicity	Non-Toxic
Diluents	Further dilution will weaken the strength
Clean Up	Turpentine
Shelf life	6 months when unopened in original packing and stored in a dry cool place
Note : Consumption may vary depending on surface conditions and application technique.	

## Packing

1 litre/tin  
5 litre/tin  
18 litre/tin
